

2017 #becausewelove campaign

Tiana Angelique Notice Foundation

#becausewelove

We are just a few short weeks away from October & ourÂ #becausewelove campaign for domestic violence awareness month! We would be grateful if you would join with us & share this message on social media! We want to end domestic violence because we love our neighbors, because we love our communities & because we love our families. What's your #becausewelove reason to end domestic violence?
